OUTDOOR ARCHITECTURE

Product Catalogue | Planters + Furniture

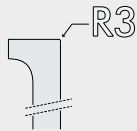

JULY 2022

Colour, Materials & Finish

Design Details

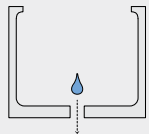

Glass Fibre Reinforced Concrete - One of the most versatile building materials available to Architects, Engineers and Landscapers

Edging - Standard 3mm pencil round to all edges

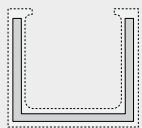

Bull Nose Edging - Optional edging detail

Drainage/Taps/Fittings - Holes and affordances as required

Fabrication Tolerance - Plus/Minus 5mm

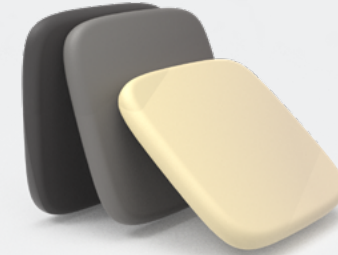

Ribs - Creative application of ribs to meet structural integrity and engineering requirements

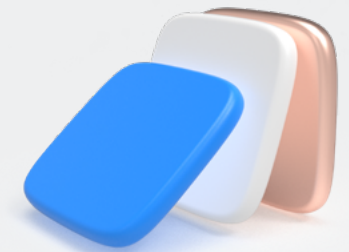

Ferrules - Integrally cast into the product for bolts, anchors, or cladding

Individually handcrafted unique structures made from GRC. We also work with metals and Australian Hardwoods as required

Natural Colour Finishes

Sandstone, Portland Grey and Charcoal

Painted & Special Finish

Paint to match Pantone colour specification
Oxides and other special finishes

Texture

Our molding process achieves a 'formwork smooth' finish, which is even and consistent to touch

Rectangular Planter
